MINING TOUR CANCELLED

MISSOULA--

Because of the copper strike, the University of Montana's tour of the Butte and Anaconda mining industry scheduled Aug. 14 has been cancelled, according to Dr. Walter C. Schwank, Summer Session director.

Most of the major points of interest on the tour will be closed to the public until the strike is settled, according to Dr. Schwank.

Those wishing to participate in Saturday's tour (Aug. 7) of western Montana ghost towns are advised that the schedule has been changed.

The itinerary was to have included Garnet, Granite City, Southern Cross and Cable City, with supper in Anaconda enroute home to the University. Now, according to Dr. Schwank, the tour will stop at Coloma, Garnet and Granite City and will return to UM by suppertime.
